

OVERVIEW OF REIMBURSEMENT SUPPORT PROGRAM

HYMOVIS® Support Hotline

Coverage and coding for HYMOVIS® (high molecular weight viscoelastic hyaluronan) may vary depending on the patient's type of health insurance and the site of service where the product is administered (ie, physician office, hospital outpatient department, or ambulatory surgical center). It will be important to conduct a benefit investigation for each patient in order to verify the following:

Coverage and utilization restrictions, such as Prior Authorization, for HYMOVIS®

Patient copayment or coinsurance for HYMOVIS® and administration services

Coding for HYMOVIS®

Provider's network status with plan

Upon request, the *HYMOVIS® Support Hotline* will provide Prior Authorization support by submitting, if possible, any of the information available for a verbal Prior Authorization if the payer will accept it from the *Hotline*.
